

Correspondence Course

*The Daughters
Of the Moon
Or
Wizard's Circle*

Three Levels of Study

- ◆ *The Initiate*
- ◆ *Priestess* ◆ *Priest*
- ◆ *High Priestess* ◆ *Wizard*

This unique program provides a passageway to Universal Mysteries. The Initiate steps into the doorway of the Goddess, through a veil of mist. The Spiritual Quest begins in order to obtain intuitive powers and sacred wisdom. The Initiate returns, at last, to a long forgotten sacred place of Wisdom where True Knowledge and the power of Magick is revealed.

The Circle of Wyse Women and Wise Men sing the song of welcome to those who return. They know the renewal of knowledge will emerge from the heart of each woman, man, daughter and son of *WomanSpirit*, The Goddess.

Initiations, practice and application of wisdom are required so the robe of the High Priestess/Wizard can be worn once again. Level by Level the women and men progress. Each walk the path of the Initiate, Priestess/Priest, and into the Path of the High Priestess/Wizard.

Through dedication, devotion to the Great Mother and actively assisting the Soul's of Humanity, the women and men in the Circle learn sacred knowledge. Intuition is enhanced, healing capacities are used, and the ability to instruct are brought forward.

If you find your heart sings with a desire to learn more and enter a spiritual quest. Please go to the Contact Page and request more information and an application form.
