

## *View Your Tree of Life Codes Through Your First Name*

Deep within the recesses of yourself lies sacred wisdom. It is recognized within your first name and your birth date. Frequencies of light emerge in sound, color, Spiritual Astrology, Numerology, and the secrets within Hebrew Letters. Each reveal wisdom of the Universal Tree of Life within you. All of this is encoded within your soul-consciousness and decoded through you by your search of the mysteries of life. Your release of this information as the examination of your sacred self evolves and blossoms through everything you do and experience.

*Bella Dina*

*8/4/3 (6)*

Dr. Bell presents you with a written report and picture of your coded Tree of Life. You will find it enriching and mystical. Using several decoding methods, she helps you understand your indwelling wisdom. Tibetan Numerology, five major points of your Astrological Chart, colorology, Hebrew letters, and musical notes associated to the Hebrew letters are revealed in your Tree of Life.
